APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Coos, Curry, Douglas, Jackson, Josephine, Klamath and Lane counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

Age:	Must be at least 17 years of age to apply and may not be registered until they are at least 18 years of age
Education:	<ol style="list-style-type: none"> 1. Must be a high school graduate or have obtained the equivalent GED certificate. 2. Must have completed one year of high school algebra, integrated math 2, or equivalent post-high school algebra course(s) with a grade of C or better, or submit equivalent math placement test scores.
Physical:	None
Testing:	None

III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

EEO PLEDGE

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.

NOTE: There are two (2) ways by which an applicant may apply to become an apprentice with this committee in this trade:

2. A governmental entity with either a civil service or merit selection process may select apprentices in accordance with its personnel rules or its collective bargaining agreement as adopted by its elected governing board.
3. Apply when the committee is open for applications, and being subsequently placed on the ranked list of applicants-available-for-hire.
 - a. Application Notice and Schedule
 - i. The sponsor shall open for applications when its current pool of eligibles (including out-of-work apprentices) in a given geographic area falls below the number

established by committee action.

- ii. The sponsor shall be open for a minimum of ten working days to accept applications.
- iii. Prior to distributing notices, the proposed public notice shall be provided to the BOLI/ATD Portland office and to the assigned Apprenticeship Representative.
- iv. Public notices shall be disseminated in accordance with the sponsor's Affirmative Action Plan. This notice shall be distributed not less than 30 days in advance of the first date applications will be accepted.
- v. These items will be included on the public notice:
 - the trade/occupation
 - minimum qualifications
 - addresses where applications are available
 - dates, times and places where applications will be accepted
 - geographic area of employment
 - general description and duties of the occupation
 - documentation requirements to show evidence of minimum qualifications and to receive points for education and work history
 - program content and duration
 - description of application process
 - name and telephone number of contact person

b. Application Process

- i. The sponsor can open and re-open the selection process by geographic areas and license endorsements to facilitate outreach in the areas where apprenticeship vacancies exist or are anticipated.
- ii. The application form will provide a space for the applicant to indicate geographic availability as follows:
 - Lane County
 - Douglas County
 - Josephine County
 - Jackson County
 - Klamath County
 - Curry County
 - Coos County
- iii. The application form will provide a space for applicants to indicate the endorsement(s) for which they wish to be considered.
- iv. An application shall be provided to any interested individual.
- v. The sponsor shall maintain a log, which will identify all applicants by a log number that corresponds to the application number. The log will be used to track the history of the application, noting the date the application was provided, the manner by which it was provided, the date it was returned to the program sponsor, and the final disposition of the application (rejected for MQ's, no documentation, unranked, in ranked pool of eligibles, etc.).

c. Verification of Minimum Qualifications

- i. All applications and supporting documentation will be reviewed to determine if minimum qualifications are met.
- ii. Applicants who do not meet the minimum qualifications established in the public notice and standards will be notified in writing. Notification will include

- the reason(s) for rejection;
- requirements for admission into the eligibility pool; and
- appeal rights available to the applicant.

d. Ranked Pool of Eligibles

- i. Selection of apprentices will not occur until all applications received during the open application period have been rated and ranked.
- ii. Individuals who complete the application and meet the minimum qualifications shall be ranked based upon the attached point system using documented previous experience and education and shall remain in the ranked pool of eligibles for two years.
- iii. Individuals may be removed from the ranked pool at an earlier date by their request, following their failure to respond to a dispatch as established in the committee's initial placement policy or failure to keep their address and telephone number current with the committee. The committee may at its discretion restore an applicant who has been removed from the pool at his/her request or who has failed to accept an employment offer.

e. Placement Process

- i. Prior to selecting new apprentices, out-of-work apprentices will be given the opportunity for employment in descending order based on the total number of OJT hours in the program.
- ii. Individuals in the ranked pool of eligibles will be dispatched in descending score order based on their endorsement preference (if applicable) and geographic availability for the training agent's place of business.
- iii. Individuals in the ranked pool of eligibles will be selected in descending order. If a training agent rejects an eligible or an out-of-work apprentice, the training agent must provide the committee with a written, job-related reason that is consistent with the training agent's documented employment policies and applicable State and Federal EEO requirements.
- iv. When apprentices are hired, the sponsor will complete the apprenticeship agreement and submit it to the Bureau of Labor and Industries as soon as practical to initiate the issuance of a license. Electrical apprentices must be registered and receive an apprentice electrical license before accruing OJT hours or performing electrical tasks.

EXCEPTIONS

2. EXPERIENCED APPRENTICE

Experienced apprentices, who have earned at least 1,000 OJT hours and 48 hours of related training in a registered program within the past 5 years, may be permitted to enter or return to the program, as far as practical, and resume their training where they left off by being placed at the bottom of the out-of-work list, providing the apprentice meets the current minimum qualifications and left the previous program in good standing. It is understood that the previous program trains in the same occupation as the one to which the experienced apprentice is making application.

3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS Chapter

660 for at least two years prior to requesting an apprentice, the employer may select apprentices from those bona fide employees who meet the minimum qualifications for entry into the program. A bona fide employee is one who has been on the employer's payroll and worked a minimum of 750 hours in the previous six months. Once the initial selection of apprentices has been made, the employer is thereafter restricted to selection from apprentices in the out-of-work pool and the ranked pool of eligibles.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.
5.
 - 1: DISSEMINATE INFORMATION
Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.
 - 3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP
Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.
 - 4: INTERNAL COMMUNICATION
Internal communication of the equal opportunity policy in such manner as to foster understanding, acceptance, and support among the various officers, supervisors, employees, and members and to encourage such persons to take necessary action to aid in meeting our obligations under this plan.

5: OUTREACH

Engage in programs such as outreach for the positive recruitment and preparation of potential applicants for apprenticeship; where appropriate and feasible, such programs shall provide for pre-testing experience and training. If no such programs exist, seek to initiate these programs, or when available, to obtain financial assistance from the Department. In initiating and conducting these programs it may be necessary to work with other sponsors and appropriate community organizations. The sponsor shall also initiate programs to prepare women and encourage women to enter traditionally male programs.

8: GRANT ADVANCED STANDING OR CREDIT EQUALLY FOR ALL APPLICANTS

Grant advanced standing or credit on the basis of previously acquired experience, training skills, or aptitude for all applicants equally.

9: PREVENT ILLEGAL DISCRIMINATION

Take other appropriate action to ensure that the recruitment, selection, employment, and training of apprentices during apprenticeship shall be without illegal discrimination because of race, color, religion, national origin, disability, age, or sex; such as, general publication of apprenticeship opportunities and advantages in advertisements, industry reports, articles, etc.; use of present minority and female apprentices and journeypersons as recruiters; career counseling; periodic auditing of affirmative action programs and activities; and development of reasonable procedures between the sponsor and employers of apprentices to ensure that equal employment opportunity is being granted including reporting systems, on-site reviews, briefing sessions, etc.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
 - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program

The term of apprenticeship shall be ~~6,000~~ hours of employment.

V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. It cannot exceed one year (12 months) or 25 percent of the length of the program, whichever is shorter. (See ORS 660.126 (1g))
