APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.

I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Crook, Deschutes, Jefferson and Wheeler counties in the State of Oregon.

II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b)). Documentation must be provided for all minimum qualifications:

EEO PLEDGE

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The program shall open for applications when its current pool of eligible applicants, including out-of-work apprentices, falls below a number determined by the committee to reasonably approximate its apprentice needs. At least semi-annually, the committee will meet to determine whether it will solicit applications and the process for acceptance of them.
Application notice and schedule: The committee will accept and process applications, on dates it specifies, in accordance with applicable statutes and regulations, these Standards, its Affirmative Action Work Plan, and its policies and procedures.
3. Establishment of the Pool of Eligibles:
 - a. Applicants meeting minimum qualifications will be placed on a list of applicants accepted for apprenticeship.
 - b. The Committee will create, or add to, a Ranked Pool of Eligibles from the list of

- applicants accepted for apprenticeship.
- c. The ranking shall be accomplished by random drawing.
 - d. The Committee will establish the time and place for selection, the number of persons to be added to the Ranked Pool and name an impartial person to conduct the selection process. That impartial person shall have no association with the administration of the program.
 - e. The selection shall be by random drawing. The random drawing will be open to all applicants and the public. The individuals selected by this method will be notified by mail of their status and rank within 14 days of selection.
 - f. Individuals who are selected for apprenticeship will be referred to employers requesting apprentices. These individuals will be dispatched from the pool of eligibles in descending order.
 - g. If, or when, additional applicants are accepted into this Ranked Pool of Eligibles, those added to the Pool will be ranked below the existing Pool members.
4. Applicant Responsibilities:
- a. It is the responsibility of all applicants, and Ranked Pool members, to keep the committee informed of any address or phone number changes as outlined in the committee's Initial Employment Policy.
 - b. Applicants, and Ranked Pool members, will be removed under the following circumstances:
 - i. The applicant has been in the Ranked Pool of Eligibles for two years without being registered to these Standards.
 - ii. The applicant has requested removal from either the Applicant List or Ranked Pool.
 - iii. The applicant has failed to respond to a written communication from the Committee and/or improperly refused employment under the committee's Initial Employment Policy.
 - c. Applicants removed from any list will be notified, in writing, of the reason(s) for removal and of their appeal rights.

EXCEPTIONS:

2. EXPERIENCED APPRENTICE

Experienced apprentices who gained their experience in a registered Sheet Metal program and had not less than 1,000 hours on-the-job and 144 hours of related classroom instruction during the preceding 4 years, shall be permitted to enter this program, as far as practical, and pick up their training where they left off instead of entering as beginning apprentices. They must provide documentation meeting the current minimum qualifications. The applicant must not have been terminated for cause prior to application or currently under disciplinary action by their respective committee. Applicants applying under this exception will be registered and placed at the bottom of the sponsor's out of work list unless the aggregate total of registrations by the sponsor under exceptions exceeds 35% year-to-date as recorded below under "Notes:".

3. NEW TRAINING AGENT

If an employer has not participated in the training of an apprentice under ORS Chapter 660 for at least two years prior to seeking entry or re-entry into the apprenticeship

program, the employer may select as his/her initial apprentices, without going to the pool, those bona fide employees who have been on his/her payroll for at least three months and 1,000 paid work hours prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the trade or craft. An applicant may not have been terminated from any registered apprentice program within the 6-months prior to date of application. Once the initial selection of apprentices has been made, the employer is thereafter restricted to a selection from applicants in the pool of eligibles established by the sponsor which has jurisdiction in this area.

11. NATIVE AMERICAN PREFERENCE

Qualified Native American applicants referred and ranked by a Tribal Employment Rights or Human Services Office (TERO), and who otherwise meet the minimum qualifications of these Standards, may be selected for dispatch without regard to existing selection procedures if the work to be performed is in a geographic area on or near an existing Indian Reservation, Lands or Nation or has been funded by, or at the direction of, an Indian Tribe or Nation.

12. VETERAN'S ENTRY

- b) Members of the Selected Reserve or Individual Ready Reserve with a DD214 issued within the past 24 months; or
- c) Members of the Oregon National Guard with a DD214 issued within the past 24 months.

Individuals qualifying under this exception will be scored and placed at the top of the Ranked Pool of Eligibles

Notes:

Once each quarter (April, July, October and January) on the 1st business day (excluding recognized holidays) the sponsor will review the use of exceptions versus the registrations from the pool of eligibles. If registration by exceptions during the year to date exceeds 35% of the total registrations, the sponsor will not utilize exceptions until the next quarterly review, at which time the sponsor will again be eligible to utilize exceptions providing the use of exceptions for the year to date is below 35% for total registrations.

Exception #2 will be included in computations but will not be restricted during periods wherein the sponsor is not eligible to utilize exceptions.

B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

- 1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)

For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.
 - 3: PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP
 Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.
 - 4: INTERNAL COMMUNICATION
 Communicate the equal opportunity policy in a manner to foster understanding, acceptance and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the committee's affirmative action commitments.
 - 5: OUTREACH
 Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.

C. DISCRIMINATION COMPLAINTS:

3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The ratio of apprentices to journey-level worker shall not be more than one (1) apprentice to the first one (1) journey-level worker(s) up through the first two apprentices in the shop and on the job site. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice's file.
